

P.810.558.4741 Brighton, MI 48116 P.O. Box 1480

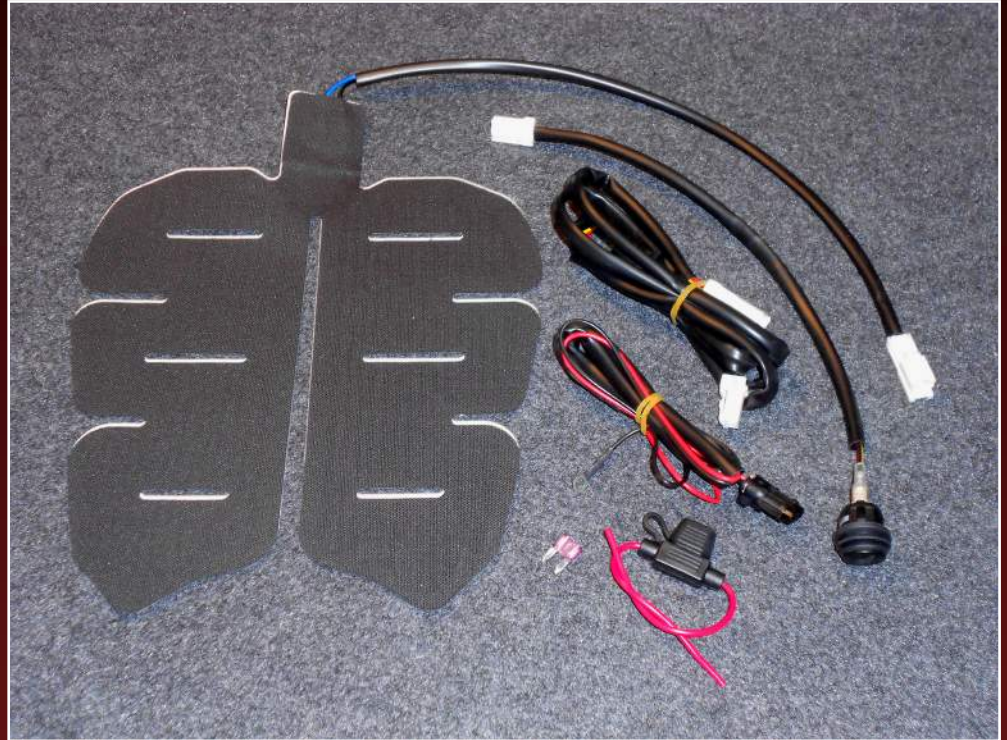

Recreational Heater

Kit Includes:

(1) Heater Pad

Complete Wiring harness

Waterproof inline fuse holder

Order by: Rec

The REC UNIVERSAL ON / OFF SINGLE PAD heating system utilizes a thin PTC element that is self-regulating and has an adhesive backing for ease of installation. The REC kit contains all the necessary water resistant components to perform a top quality installation. Recommended for ATV, UTV, Motorcycle, Snowmobile, Marine and most any other outdoor recreational application.

The REC kit offers a 1 year limited warranty.
